From the Counsellors desk

Workshop held at the Ardee School for the parents of KS 1, 2 & 3 on Child Sexuality Education

Parenting workshops are a very important part of a child's upbringing and it is our endeavour at the Ardee School to provide this support to all our parents. Ms. Joyce focused on why Sex Education is important not just for the students but mostly for parents to bridge that very important gap.

Ms. Joyce Gracías e Fernandes is the school counsellor at The Ardee School. She interacts and counsels students from all age groups. Parents are requested to get in touch with her should they want to discuss any behaviour related or parenting concerns
